

Van Ameyde Marine 

Expertise. Integrity. Global Reach.

Van Ameyde Marine

Who we are

Van Ameyde Marine is your partner for maritime inspection, damage assessment and risk consultancy.

With offices in key maritime hubs across the Benelux, Scandinavia, Singapore and beyond - and backed by a global network of specialized marine experts - we operate 24/7 to support shipowners, insurers, P&I Clubs, cargo operators, and public authorities worldwide.

With us, you choose integrity, reliability, and quality with a global reach.

What we offer you

- 100% independent advice - we represent your interests, and yours alone
- You notify us and we move immediately to be on-site - anywhere in the world.
- Specialized expertise with deep technical and nautical knowledge
- The strength of a group, the precision of a local team

Backed by Van Ameyde Group

Van Ameyde Marine is part of Van Ameyde Group: a global service provider specialized in claims and risk management, technical expertise and IT solutions for the insurance industry. With more than 1,500 professionals in 33 countries, the Group supports organizations in the maritime, logistics, industrial and insurance sectors.

How you benefit:

- Combined international scale with local insight
- Deep understanding of complex claims, supply chains and risk ecosystems
- Cross-discipline expertise - marine, claims, engineering, IT, etc.
- No conflicts of interest as we are fully independent and owned by RWTÜV GmbH

Van Ameyde Group offers a stable foundation and international reach, as a trusted partner for all claims and risk challenges.

Our Maritime Portfolio

We combine specialized marine companies into one integrated global network. Each entity brings its own expertise, covering every aspect of marine surveying, claims management, risk consultancy and technical support - across geographies, industries and disciplines.

Together, we provide one global partner, offering local knowledge, specialist skills and seamless cooperation.

One Maritime Network. One Standard.
